“

Polychrome and irregular material fragments—stones, shards, and marbles—come together in a perfect balance between chaos and order, where each element reveals and conceals itself, always different yet unchanged.

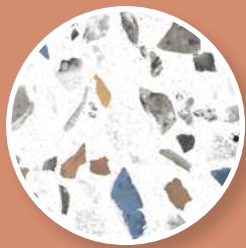

Frammenti materici policromi e irregolari—pietre, cocci e marmi—si uniscono in un perfetto equilibrio tra caos e ordine, dove ogni elemento si svela e si cela, sempre diverso eppure immutato.

A tribute to beauty that
thrives in imperfection and
movement, where every
fragment tells a unique
story made of light,
texture, and memory.

Un richiamo a una bellezza che vive
nell'imperfezione e nel movimento, in cui
ogni frammento narra una storia unica
fatta di luce, texture e memoria.
